

Alliance General Membership Meeting

February 5th 2010
Toledo Club
235 14th Street Toledo
11:30 a.m.

Featuring Dr. James G. Ravin, coauthor of *The Artist's Eyes*

You are invited to hear a fascinating presentation by Dr. Ravin on the role of vision and the effects of eye disease in art. Dr. Ravin's interest in the creativity of artists dates back from his lessons in studio art at the Toledo Museum of Art and with a well-known artist, Abramofsky. While completing premedical studies at the University of Michigan he majored in the history of art. During medical school at the University of Medicine, he worked with medical illustrators and published articles on medical aspects of fine paintings. His investigations have been published in the *Journal of the American Medical Association* and have been featured on CNN, the *Today Show* and other national media.

Dr. Ravin is a clinical associate professor at the University of Toledo College of Medicine and the author of more than 60 scientific papers and several book chapters. He has been President of the Academy of Medicine of Toledo and Lucas County, the Toledo Surgical Society, and the Northwest Ohio Ophthalmological Society.

Lunch price is \$20.00
