LCMA Events, Updates and Information | Winter 2022

## Winter Recap

The winter months in Toledo may have been cold, but the LCMA kept our spirit warm by supporting several local charities.

Our Thanksgiving fundraiser for Bethany House was a huge success! Nearly every item on their wishlist was fulfilled from our generous members and they were very thankful for your donations; we filled an entire SUV full! Thank you to Courtney Kidner for coordinating this fundraiser.

We also participated in the Toledo Club's annual *Holiday Wreath Decorating Contest* where all of the funds raised went to Toledo Children Services. Special thank you to Julianna Assenmacher and Christina Hammerling for decorating the wreath and donating their time and effort to this cause.

Our organization participated for the first time ever in Giving Tuesday.

## Giving Tuesday Success

Thanks to the incredible generosity of our members we were able to raise two thousand dollars towards our general philanthropy fund. The generosity of our membership is always amazing. Covid has had a huge impact on our local charities and they are having a harder time than ever finding volunteers or raising funds so this money is important in helping them continue to serve those in need in our community.

## Special Interest Groups still Gathering

Several special interest groups are continuing to meet and gather around Toledo! Our Toledo Museum of Art has hosted several events over the winter for our special interest Museum Group. These ladies get together once a month to view a special exhibit and have lunch at the TMA Café. Our wine tasting group will gather again in the spring for our spring wine tasting.

Our next wine tasting will be April 7, look for more info soon if you're part of this group.

If you are interested in joining our special interest groups contact [MaryLgeiger@gmail.com](mailto:MaryLgeiger@gmail.com).

## Doctors Day Is March 30!

Please consider honoring your spouse and your personal physicians including specialists or your child's pediatrician. This is a great time to also recognize and thank physician friends and family who are local or those who live across the country!

This year's Doctor's Day donation form and coloring poster page have been attached emailed to the membership. Local Girl Scout troops are also participating this year and we will be mailing their hand made cards as well.

## Welcome New Member, Amanda Horen!

Nick and Amanda Horen live in Ottawa Hills with their three children, Bennett(7), Greyson(6), and Clara(3). Amanda is an Intervention Specialist turned stay at home mom. Nick practices at The University of Toledo Medical Center, in the Internal Medicine department. In their free time, they enjoy traveling and exploring the local Metroparks with their children.
